

Pet Health Solutions™ Introduces Cranberry D-Mannose™ For Dogs and Cats

Pet Health Solutions™ introduces Cranberry D-Mannose™, a natural dietary supplement that contains ingredients beneficial for the urinary tract of dogs and cats. Cranberry D-Mannose™ helps support and maintain the healthy function of the urinary tract with the main ingredients of Cranberry Extract and D-Mannose.

Union City, CA ([PRWEB](#)) May 1, 2010 -- Pet Health Solutions™ introduces Cranberry D-Mannose™, a natural dietary supplement that contains ingredients beneficial for the urinary tract of dogs and cats. Cranberry D-Mannose™ helps support and maintain the healthy function of the urinary tract with the main ingredients of Cranberry Extract and D-Mannose. The product is currently available in a chewable tablet form, 60 tablets per container.

Cranberry D-Mannose™ is formulated with a proprietary, highly palatable chicken liver flavor to ensure all dogs and cats will readily consume the tablets. Cranberry D-Mannose™ contains the following active ingredients per tablet: Cranberry Extract (from *Vaccinium macrocarpon*) (100 mg), D-Mannose (150 mg) and Vitamin C (35 mg).

In addition to Cranberry D-Mannose™, Pet Health Solutions™ also provides pet food supplements, joint supplements, vitamins, grooming products, dental products, shampoos and cleansers. These products include Joint MAX Triple Strength®, Vita-Tabs®, Derm Tabs®, Shed-Pro™, Ora-Cleans®, Vita-Soothe™ and others.
