

## **Pet Health Solutions® Introduces Felisyl™ Immune System Support For Cats**

*Pet Health Solutions® introduces Felisyl™ Immune System Support, an L-Lysine oral powder supplement for cats of all ages, can help manage symptoms of the feline herpes virus (FHV-1).*

Union City, CA ([PRWEB](#)) August 9, 2009 -- Pet Health Solutions® introduces Felisyl™ Immune System Support, an L-Lysine oral powder supplement for cats of all ages, can help manage symptoms of the feline herpes virus (FHV-1). The feline herpes virus causes upper respiratory infections with symptoms such as sneezing, discharge from the eyes and nose, and coughing. The feline herpes virus also causes ocular symptoms. Felisyl™ reduces the effects of FHV-1 with reduced viral shedding caused by stress and induced viral reactivation of the virus. There is no known cure for FHV-1, although Felisyl™ can decrease the severity of the symptoms and control the spread of the disease.

Felisyl™ has one ingredient, L-Lysine HCl that comes in a palatable base. Felisyl™ is available in an oral powder form with the main size of 250mg (3.5 oz). Felisyl™ is also available in bulk quantities of 3 (10.5 oz) and 6 packs (21 oz).

In addition to Felisyl™, Pet Health Solutions® also provides pet food supplements, joint supplements, vitamins, tear-stain removers, grooming products, dental products, shampoos and cleansers. These products include Joint MAX®, Vita-Tabs®, Derm Tabs®, Optimex™ Anti-Tear Stain Supplement, Shed-Pro™, Ora-Clens®, Vita-Soothe™ and others.
